

Product Name: Bromine Tablets

Product Code: SP142

Product Description

A tablet form of bromine that is placed in your skimmer basket or floating dispenser and slowly dissolves.

Dosing Instructions

Warning: Bromine Tablets will bleach clothes.

Place tablets in the brominator, skimmer basket or floating dispenser. Never place tablets directly into the pool or spa, as severe bleaching or staining may occur.

If using a feeder or dispenser ensure that the tablets used are the same chemical (BCDMH). If another material has been used before, wash out the feeder thoroughly before adding tablets.

Pool

Place bromine tablets in the brominator or floating dispenser and adjust accordingly to maintain a bromine level of 2-4 parts per million (ppm).

Spa

Put 2-5 tablets in a floating dispenser and adjust the collar accordingly to maintain a bromine level of 3-6ppm. They will take 10-14 days to dissolve.

WEIGHT:

Chemical: Bromo, Chloro-5.5-Dimethylhydantoin (BCDMH)

UN Number: 3085 **EC Number:** 251-171-5 **CAS Number:** 32718-618-6

Danger

May intensify fire; oxidizer. Harmful if swallowed.

Causes severe skin burns and eye damage. May cause an allergic skin reaction. Very toxic to aquatic life. Contact with acids liberates toxic gas. Warning! Do not use together with other products. May release dangerous gases (chlorine). Store in a dry place.

Wear protective gloves/protective clothing/eye protection/face protection.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

IF ON SKIN: Wash with plenty of soap and water.

IF SWALLOWED: rinse mouth. DO NOT induce vomiting.

Avoid release to the environment.
